RENTAL OPTIONS

OPTION 1: Standard Rental:

Wrightway Products is happy to offer its full range of wrightway2MT bin tippers including the wrightway2MT INDUSTRIAL and the wrightway2MT Wheelbarrow Tipper as rental options.

6 Months Rental agreements can be extended on a monthly basis (minimum) once an initial 6 month period is completed.

Conditions apply to the availability of the wrightway2MT® for rental available through our Rent Try Buy option or by negotiation.

Contact our Sales staff (Brett or Nathan ... 0266 227 111) to discuss your requirements or to request an obligation-free quote.

Charges quoted do not include cost of delivery and pick-up. Shorter term rentals are available.

OPTION 2: Rent Try Buy:

This option applies to NEW wrightway2MT® bin tipping machines which are rented for a MINIMUM period of 12 months.

If at any time during the first 12 month rental period you decide to purchase the machine, we will refund 75% of the amount you have already paid towards the total cost of the rented machine.

That is, 75% of the rent you have already paid during this initial 12 month rental period will be deducted from the purchase price if you decide to purchase the machine outright.

Should you decide not to purchase the machine, then you will be offered a further on-going standard rental agreement at the conclusion of your 12 month Rent Try Buy agreement.
